

Environments

05/06/2024 4:08 pm EDT

AskGenius users can connect their data in three ways:

1. Raiser's Edge NXT
2. Virtuous
3. Excel Upload

You can also access the Excel Upload if you use the Raiser's Edge NXT or Virtuous integrations. Check out our [subscription article](#) to learn more about [how to subscribe](#) based on the environment you choose to use.
