

# Select Audience

06/05/2024 4:46 pm EDT

1. Click the dropdown to select the list you want to use for your appeal. Note that you can only choose one list per appeal.
2. Click on "Map Appeal."

Lists from RE Environment:  
Nic Prenger (DBA) Prenger Solutions Group Environment 1

Last Name c - PUBLIC (2304 constituents)

"Last Name c - PUBLIC" has not been processed and thus cannot be used to generate ask-strings. Please re-sync your environment and select "Last Name c - PUBLIC" as the audience-list to be processed.

3. If the list is grayed out, it means it has not been synced to AskGenius.
  - To sync the list, click "Select Environment" to return to the "Select Environment" page.
  - Click the "Configure Ingestion" button, select your list from the dropdown, and begin the ingestion process.
  - Once your list is synced, return to the "Select Audience" page, select your list, and proceed to "Map Appeal."
